

Supporters Of Media Reform URGE YOU
To Make This

LPFM SUMMER

2 ACTIONS

2 ADVANCE

2 GOALS

1. WRITE TO YOUR 2 U.S. SENATORS AND 1 U.S. REPRESENTATIVE IN THEIR WASHINGTON OFFICES --
Find the D.C. Phones, Faxes, E-Mails and Snail Mails via the Web Sites at www.senate.gov and www.house.gov. OR call Capitol Hill Information: 202/224-2321.

2. MEET WITH THEM IN PERSON, OR AT LEAST CALL THEIR LOCAL OFFICES, WHILE THEY ARE HOME FOR THE AUGUST RECESS -- Call to arrange a meeting, or at least express your opinion. Find local offices via the Senate and House Web Sites. OR look up local offices in your phone book.

1. ENACT LEGISLATION TO RESTORE ALL OF THE MEDIA OWNERSHIP LIMITS LOOSENED BY THE FCC ON JUNE 2 -- Tell them just restoring the limit on TV ownership isn't enough. ALSO SAY you'll watch to see whether they vote to override a possible Presidential veto.

2. ENACT CHANNEL SPACING REFORM, TO MAKE ROOM ON THE DIAL FOR MORE LOW POWER FM RADIO STATIONS -- A new report by MITRE Corporation backs up FCC claims that allowing more LPFM stations will *not* cause interference.
